## MESSAGE FROM THE PRESIDENT DESK

Dear Friends,

Allow me to first thank you all for reposing your faith in me by electing me as the President of this young and vibrant Association. I am aware of the legacy left behind by stalwarts of the industry, past presidents Shri Nanu Binu and Shri H.K. Bhattad. I hope I will be able to continue in their footsteps to lead our Association to your satisfaction.

We had a very successful first event of my tenure as President the 5<sup>th</sup> AGM of our Association and it was heartening to see enthusiastic participation from its members. We deliberated on a number of initiatives and issues during the AGM and as you are aware, we have started acting on them. First such circular about the non-payment issue was already sent to members requesting them to inform their specific problems to enable your managing committee to discuss and take action on the same.

The next big event will be the 1<sup>st</sup> edition of 'Events Today Conclave 2019' organised by our Chennai Chapter on 16<sup>th</sup> and 17<sup>th</sup> October 2019 at Chennai. This Conclave will offer, apart from technical sessions and workshops, an excellent opportunity of networking with the industry community. I strongly recommend your participation in the same and my best wishes to our Chennai Chapter Team for a successful event.

We will be holding our flagship event, 'India Expo Shop' in the year 2020 and we will shortly inform you all about the venue and the dates. I am sure you all will extend your support to our Event and make it better.

Our foundation day falls in November and we will be celebrating it this year in New Delhi. I request members to keep this day free to be a part of the celebrations.

The events season has already started and I extend my best wishes to all of you for a yet another fruitful year. While we all get busy with our businesses, I sincerely request all to keep our delivery and payment promises so that we together benefit from the industry we are working in.

Thank you!

**Sunil More**  
President, IESA
